## COVID PROTOCOL BASEBALL + SOFTBALL 2021

This protocol was created under the direction of the Istrouma Baptist Church medical team. While some guidelines may be inconvenient, the protocol is designed for the safety of all staff, volunteers, players, and families at Istrouma Sports. Our desire is for kids to play sports and their families to spectate games and practices in a safe environment. We hope you come alongside us to follow this COVID Protocol so we can enjoy this baseball and softball season during a difficult time.

Please be respectful of others. Please follow social distancing guidelines while on our campus.

### MASKS

- Because this league takes place outside, we are not requiring anyone to wear a mask while spectating or playing games.
- We advise fans to wear a mask if they cannot maintain social distance with others outside of their household for an extended period of time.
- Anyone visiting the concession stand or restroom will need to wear a mask for that duration.

### PREGAME

- We have two main parking lots and entrances to our complex.
- Please arrive no earlier than 15 minutes before your game.
- Game times are staggered; only a few teams will enter and exit around the same time.

### MIDGAME

- Bleachers may be removed. Fans are welcome to bring their own lawn chairs.
- The water fountain is closed. We will not set out water coolers on team benches. Players need to bring their own personal water bottle.

### POSTGAME

- Teams will meet for a postgame ceremony off the field.
- Please exit promptly after the postgame ceremony.
- Please do not congregate near the entrance/exit.
